

Crystal naming — approval draft

Purpose: Propose one crystal (canonical) name per ingredient/product group so inventory, purchase requests, and recipe lines can align later.

Scope: Real tenants only (Apex Cafe and Restaurant / Apex Hotel illustration properties excluded). Sources: inventory registrations, inventory movements, purchase requests, stock-out snapshots, station stock, recipe ingredients, recipe consumptions.

Clustering (high care): different sizes never merge; packaging/serving roles stay separate (tea `` tea bag; coffee/coffe `` coffe 83A). Domain rules: shbo(cleaning)``shro/shiro(food); flite``selit; costa``pasta``posta; wheat flour``white flour; lamp"Hlump but ``p

Important: This PDF is for review/approval only. No database or system changes were made.
