

Crystal naming — approval draft

Purpose: Propose one crystal (canonical) name per ingredient/product group so inventory, purchase requests, and recipe lines can align later.

Scope: All tenants. Sources: inventory registrations, inventory movements, purchase requests, stock-out snapshots, station stock, recipe ingredients, recipe consumptions.

Clustering (high care): different sizes/quantities never merge (e.g. Water 1/2 L " Water 2 L). Only spelling/typo variants of the

Important: This PDF is for review/approval only. No database or system changes were made.
